FLDKGEF Professional Development Award

Making a Difference for Florida Educators!

Educators who are currently teaching in Florida are encouraged to apply for this unique opportunity to receive funding for professional development. Our 2019 Award Recipients share ways FLDKGEF is supporting Educational Excellence in Florida.

Happy Teacher Revolution Online Facilitator Training

Sarah Watters, a Speech Language Pathologist, at Riversink Elementary in Crawfordville, Florida, took the "Happy Teacher Revolution" online training course. This three-month long course allows Sarah to facilitate meetings that will

focus on the mental health and wellness of teachers at her school site. Sarah has been busy interviewing the teachers at her school so she can

design meetings to fit their specific needs. She is working on a teacher lounge make-over to provide a welcoming meeting space. Sarah is excited that she will establish the first "Happy Teacher" group in the state of Florida! Her first facilitated meeting is scheduled for September.

Space Academy for Educators Expedition 43

Nancy Rosenbaum, a fifth grade science teacher at Teach/University School in Tallahassee, Florida, attended the *Space Academy for Educators* at the U.S. Space and Rocket Center in Huntsville, AL. The week-long camp was packed with experiences, encounters and learning. Nancy had the unique opportunity to share her passion of space science and history with other educators. She is

thankful to the Florida DKG Educational Foundation for assisting in funding her dream of attending Space Camp! Entering her 14th year of teaching, Nancy is refreshed, rejuvenated and inspired by the experience, and eager to share her excitement with a new class of 5th graders!
